Holiday Homework Class IV

Dear Students,

Summer break is a time to balance fun with learning. Do establish a daily routine that includes reading, limiting screen time, playing outdoors and completing assigned school projects neatly. Do your assigned tasks independently by yourselves such as organizing, cleaning and assisting with household chores.

Please follow these instructions carefully while completing your holiday homework:

- Complete your work neatly and in a well-organized manner.
- Submit the holiday homework on time after the vacation.
Art & Craft, Hindi & Science on 02/07/26
English, Social Science & Maths on 06/07/26
- Ensure your work is done regularly and follow instructions given for each subject carefully
- Seek guidance from parents, only when necessary; **the work should primarily reflect your own efforts.**
- Originality of students' work will be highly appreciated. Avoid copying from books, friends or the internet. Let your creative ideas and independent thinking shine through your work.

Homework will be assessed on the following Rubrics:

Presentation & Creativity: 02 marks

Content Accuracy: 02 marks

Completion of Task: 02 marks

Timely Submission: 02 marks

Independent Efforts: 02 marks

- Revise the syllabus for PT-1 for all the subjects & complete the assignments shared by the teachers on Radical app and paste it in your CW notebook
- Enjoy your holidays and return refreshed with completed work.

Happy Holidays and Happy Learning! 🌸

SUBJECT	HOLIDAY HOMEWORK															
ENGLISH	<p>1. Reading & Dictionary Skills Enhancement Activity: "When we read, we exercise our comprehensive abilities. It boosts up our imagination and takes us to a different world." Read any article from a newspaper/journal of your choice and pick any 3 words, arrange it alphabetically and search for its meaning in the Dictionary and frame a sentence using it. Task to be done with dates for at least 20 days in the CW notebook</p> <p>2. Watch and enjoy the wonderful movie of ' Shantivan' along with your parents</p> <p style="text-align: center;">Here is the movie link : https://youtu.be/gnyfnRD8CtY After watching the movie, answer these questions in your own words: a) What is the theme behind the movie? b) Tell any two efforts which the kids made to save Shantivan</p>															
HINDI	<p>1. अपनी पाठ्यपुस्तक के पाठ- 3 सर्वश्रेष्ठ बल से किन्ही 18 - 20 शब्दों का चयन करके एक कविता की रचना A4 साइज शीट में कीजिये और अपनी कक्षा में उसे सुनाइए</p> <p>2. अपनी पाठ्यपुस्तक के पाठ- 2 "तिल का ताड़" को पढ़कर दस संज्ञा, दस सर्वनाम और दस विशेषण शब्दों की सूची अपनी कार्यपुस्तिका में बनाये</p> <p>3. हफ्ते में तीन पृष्ठ सुलेख अपनी हिंदी कार्यपुस्तिका में लिखे</p>															
MATHS	<p>1. "My Fitness Estimation Challenge" Go to an open area or playground and perform these five sports activities: throwing a ball, jumping rope, running (steps/laps), sit-ups, and jumping jacks.</p> <ul style="list-style-type: none"> ● Estimate how many times you can do each activity in 1 minute. ● Perform each activity for 1 minute and count the actual number. ● Record your observations in the table below as suggested below in your Maths notebook for atleast 15 days <table border="1" data-bbox="472 1227 1444 1514" style="width: 100%; border-collapse: collapse; text-align: center;"> <thead> <tr> <th style="width: 20%;">Activity Performed</th> <th style="width: 20%;">Date on which Activity was performed</th> <th style="width: 20%;">Estimated Count (in 1 minute)</th> <th style="width: 20%;">Actual Count (in 1 minute)</th> <th style="width: 20%;">Difference (Actual – Estimated)</th> </tr> </thead> <tbody> <tr> <td> </td> <td> </td> <td> </td> <td> </td> <td> </td> </tr> <tr> <td> </td> <td> </td> <td> </td> <td> </td> <td> </td> </tr> </tbody> </table> <p>2. Learn tables from 2 – 15</p> <p>3. Fun with Shapes: a) Take a rectangular piece of paper with only one single cut in any direction, how many maximum number of angles can be formed. Mark all the angles & paste it in your Maths notebook. b) Symmetry drawing Activity: Take rectangular sheets of size 10cm X 6cm fold each sheet from centre in two halves & then unfold it. Draw halves of any 5 simple pictures like leaf, butterfly, rangoli design, face etc. on one half & fold it to get the mirror image on the other halves to complete picture. Paste the pictures in your maths notebook.</p>	Activity Performed	Date on which Activity was performed	Estimated Count (in 1 minute)	Actual Count (in 1 minute)	Difference (Actual – Estimated)										
Activity Performed	Date on which Activity was performed	Estimated Count (in 1 minute)	Actual Count (in 1 minute)	Difference (Actual – Estimated)												

SOCIAL SCIENCE	<p>1. Prepare a timeline in your social science notebook about the important events that took place during the three periods (Ancient, medieval & modern). Refer to chapter-1 of your social science textbook</p> <p>2. Paste a world political map in your social science notebook. Colour and label the different continents and also mark the five oceans</p>
SCIENCE	<p>1. Prepare two flashcards of size 6"X6". One for plant & one for an animal/bird. Choose one plant and one animal/bird from any habitat (desert, forest, aquatic, polar region etc.). On the front side of each flashcard draw/paste picture of the chosen plant/animal/bird and write its name and on the back side of it write the following information</p> <ul style="list-style-type: none"> ● Habitat ● Special adaptation/features ● Food requirements for plant and food it eats for animal/bird <p>2. Plant Growth and Photosynthesis: Plant same seeds in two separate pots. Place each pot in different conditions (one in sunlight, one in a dark place) Measure and record the plant's growth over time for at least 25 days. Summarize your results and prepare a report in your science notebook on what you learned about how sunlight affects plant growth</p>
ART & CRAFT	<p>Activity: DIY Paper Folder - My Creative Organizer!</p> <p>Instructions:</p> <p>1. Make a Paper Folder:</p> <ul style="list-style-type: none"> • Use thick pastel sheet OR handmade sheet to make a folder. • The folder should be pocket friendly. • Fold and glue the sides neatly to create pockets. <p>2. Decorate Your Folder using any one folk Art- Madhubani/ Warli/ gond Art and also waste material like -used gota laces ,buttons, coloured papers etc.</p>
