Holiday Homework Class V

Dear Students,

Summer break is a time to balance fun with learning. Do establish a daily routine that includes reading, limiting screen time, playing outdoors and completing assigned school projects neatly. Do your assigned tasks independently by yourselves such as organizing, cleaning and assisting with household chores.

Please follow these instructions carefully while completing your holiday homework:

- Complete your work neatly and in a well-organized manner.
- Submit holiday homework on 02/07/26
- Ensure your work is done regularly and follow instructions given for each subject carefully
- Seek guidance from parents, only when necessary; **the work should primarily reflect your own efforts.**
- Originality of students' work will be highly appreciated. Avoid copying from books, friends or the internet. Let your creative ideas and independent thinking shine through your work.

Homework will be assessed on the following Rubrics:

Presentation & Creativity: 02 marks

Content Accuracy: 02 marks

Completion of Task: 02 marks

Timely Submission: 02 marks

Independent Efforts: 02 marks

- Revise the syllabus for PT-1 for all the subjects & complete the assignments shared by the teachers on Radical app and paste it in your CW notebook
- Enjoy your holidays and return refreshed with completed work.

Happy Holidays and Happy Learning! 🌸
