Dear Parents

Summer holidays are a great time to learn new things. It's time to have fun, create and invent.

Please take a note of the following suggestions:

- Encourage children to converse in English.
- Encourage children to watch informative programs on television like Sesame Street (teaches letters, numbers, kindness and social skills), Wild krait's (fun facts about animals), Jalebi street (teaches Indian culture, values and life skills)
- Revise all the concepts done so far in all the subjects.
- Practice English and Hindi reading everyday.
- Kindly make one separate 3 in 1 notebook for the Holiday Homework.
- Students must do at least 5 pages of Hindi writing and 5 pages English writing in the Holiday Homework notebook.

ART & CRAFT

Dear Students,

Let's make your holidays fun and creative!

Your holiday homework is to make a Handprint Duck using your own handprint. This fun activity will help you learn about shapes, colors, and animals while enjoying some craft time at home.

Instructions:

1. Take A4 size sheet
2. Paint your palm yellow using watercolors or poster colors.
3. Press your painted hand onto the paper to make a handprint – this will be the body of the duck.
4. Let it dry for a few minutes.
5. Use crayons or markers to:
 - Add a beak (orange triangle).
 - Draw an eye (or stick a googly eye).
 - Draw legs and feet below the palm.
 - Add water, grass, or a sun in the background.
