

Dear Parents,

This is to inform you that Friday, 15th May 2026, will be the last working day for students of Classes VI to IX and XI.

Summer Vacation will begin from Monday, 18th May 2026.

Holiday homework will be shared shortly. We encourage children to complete it independently. Let their work be messy but genuine — real learning comes from doing it themselves.

Vacations are a wonderful time for children to relax, explore, and create beautiful memories with family. We request you to spend quality time with your child: talk, read together, listen to their little stories, and engage them in fun learning experiences at home. Encourage them to develop the habit of reading books daily, revise the topics covered during the session, and follow a balanced daily schedule that includes study time, physical activity, hobbies, and proper rest.

We also urge you to make this time truly meaningful by staying away from mobile phones while spending time with your child. Your undivided attention is the greatest gift you can give them.

Wishing all our students and parents a safe, joyful, and refreshing summer break.

Warm regards
